	SECOND AMENDED CERTIFICATE NO. G-0003

SECOND AMENDED CERTIFICATE TO PROVIDE LARGE VOLUME SERVICE

(Issued February 11, 2005)

On August 31, 2001, the Utilities Board (Board) issued an order approving the application of U.S. CoEnergy Services (U.S. CoEnergy), a partnership, to become a competitive natural gas provider (CNGP) in Iowa. The Board issued Certificate No. G-0003 to U.S. CoEnergy and limited service to large volume customers. On August 27, 2002, the Board recognized the change in corporate name of U.S. CoEnergy to U.S. Oil Co., Inc. (U.S. Oil).

On January 21, 2005, Enbridge Gas Services (U.S.) Inc. (Enbridge) notified the Board that it had completed the acquisition of the Energy Services Division of U.S. Oil including the certificate to provide competitive natural gas service in Iowa. Enbridge indicated that the management and personnel of the new corporation would remain the same and it would comply with all applicable conditions for providing competitive natural gas service to large volume customers in Iowa.

The Board will issue a second amended certificate reflecting the change in corporate ownership of the competitive natural gas provider. The Board is issuing an order concurrently with this second amended certificate recognizing the change in corporate ownership of Certificate No. G-0003 from U.S. Oil Co., Inc. Enbridge is limited to offering competitive natural gas service to large volume customers as defined in 199 IAC 19.14(1).

IT IS THEREFORE ORDERED:

Second Amended Certificate No. G-0003 is issued to Enbridge Gas Services (U.S.) Inc.
